CIRCULAR – 16

02.02.2013

Dear Parent,

We have entered into the last lap of the present academic session. The Final/ Summative II is set to begin shortly. This demands that all other activities be halted to focus on preparation for the exams. In school too we are doing away with all extracurricular activities for all the classes and concentrate only on academics.

Please note: 1. The school will work half day from the 19th of February. The buses will leave the school premises at 1.P.M.

2. Parents who intend to apply for T.C should do so before 31st March to avoid paying the 1st Term fee or at least give an advance intimation of the same in writing.

3. There will be a slight routine increase in the fee in the ensuing academic session. The increase accommodates edusports- a fun filled outsourced sports up to class V; Robotics and Language labs for classes VI and above.

I wish you and your children the very best. May the children enter the next stage of academics with pride and confidence.
